December-2020

Serving in Africa Twenty-Five Years... and Counting

James & LaNelle GEORGE, Missionaries

## Declare HIS Glory...

“Sing unto the Lord, bless His name; tell of His salvation from day to day. Declare His glory among the nations, His wonders among all people.” (Ps. 96:2-3)

Years ago these verses made a tremendous impact on my life. They were life-changing. They burned in my heart as I saw so many people who had no knowledge of the Love of Christ. Sing.. bless.. declare.. are all action words. LaNelle and I determined we couldn't just sit on the sidelines simply hoping someone would tell them, so we embarked on a journey of “declaring HIS glory”, primarily in the remote regions of Ivory Coast, a ministry which has stretched into more than 25 years. Knowing the Lord DOES make a difference. And, with your help, we have experienced first hand what the Gospel can do for those who believe.

### MERRY CHRISTMAS

FROM THE GIRLS & STAFF OF  
GAP ORPHANAGE

If you could envision where these girls came from and where they are today, you would be astounded. It's like the difference between daylight and dark. They now have Christian “mamas” who care for their physical wellbeing and spiritual growth, a pastor and church, and safety. The Lord has guided them to a safe harbor. Imagine growing up with little or no opportunity to hear the CHRISTMAS STORY or what the story of THE GOSPEL means for you personally.

For 25 years GAP Missions has effectively carried the Gospel to people living in these remote villages. Thousands of villagers have trusted Christ as Savior and, to date, 40 churches have been established. People, once trapped in a life of Sorcery and Animistic belief, have been set free from the lies of Satan and the powers of darkness and have found “new life” through faith in Christ.

No longer do they pray to a dead god who cannot respond, go to a witchdoctor or sorceress, a charlatan, or some other satanic substitute for their needs. The Living God Almighty has become their source of comfort, hope, and peace. With enthusiasm, churches will convene to **celebrate the Birth of Christ** with singing, dancing, and great joy. They may live in houses of clay, but they can now boast of riches beyond measure.

In this season of “giving”, we hope you will remember the children, pastors, and workers of the Ivory Coast mission. Because of Covid restrictions, our possibilities of traveling to share the needs of the mission have been extremely limited. But, our loving and caring God has sustained every ministry through the gifts of our supporters during this pandemic. We hope you will consider a love gift for the ministries of Ivory Coast.

The girls are looking forward to Christmas gifts. GAP Bible Institute classes will resume in January. “Jungle Riders” will begin evangelization end of February. The Annual Convention of Churches is in March. Plus, Pastor Fryer and I are making plans to visit and encourage all 40 churches. There's much to be done. We're looking forward to an exciting year. Please pray for us. Thank You for helping us share the Love of Christ. You are.. MAKING A DIFFERENCE.
