Serving in Africa Twenty-five Years... and Counting

James & LaNelle GEORGE, Missionaries

## Jungle Riders ... In the HEART of AFRICA

“Declare His glory among the nations, His wonders among all people.” (Ps. 96:2-3)

### NEW ROOFS – FOR PAVILION AND TWO CHURCHES –

Thanks to Grace Fellowship, Warren, OH, we have a new thatched roof on the Grand Pavilion which was destroyed by storm and high winds. The pavilion is the central “go to” building for most all activities of the orphanage.

Douglasville Baptist Temple donated funds to provide roofs on two of our remote village churches. People in villages are very poor and it takes dedicated people and long periods of time to gain funds to construct their permanent worship center. But once the walls are up, our mission has promised to provide the expensive metal roof. Thank you DBT for your heart to meet this need. The people are joyously dancing because of your gracious gift.

Covid Restrictions have relaxed and once more the “Jungle Riders” Evangelistic Team has freedom to present the GOSPEL. Three new motorcycles have been donated by Grace Fellowship for the campaign which begins JULY 25th and will continue through September and beyond. The evangelistic team will be sharing the love of Christ with people who live in remote villages tucked away in the vast jungles of Africa. Most have never heard a clear presentation of the GOSPEL and will be hearing the story of what Jesus did for them personally for the very first time. To “Declare HIS Glory and His Wonders” is a grandest privilege on earth. We encourage you to donate to this cause. With your help, we will be able to reach thousands of souls. Almost everyone in each village assembles to watch the Jesus Film, and we always experience a great response as the Spirit moves when the invitation to trust Christ as Savior is given at the end of the film.

\*\*\*\*\*

**NEW VAN** - A “practically” new van was donated by Henry Baptist, Grace Fellowship, and others for the purpose of SCHOOL TRANSPORTATION for the orphanage and other needs. Many girls are attending trade schools and upper grades in distant Grand Bassam and have varying schedules. The van will relieve the headache of unreliable and expensive taxis. We especially thank the Denmon Family, as well as others, who paid for ALL 27 girls’ schooling for the entire school year. Having come from villages where they are not always afforded the opportunity to attend school, this is a real blessing!

# Pastors Reunion –

LaNelle and I will be traveling to the western region on the 24th of July where we will join pastors of the mission for their organizational meeting. A body of counselors will be elected along with a secretary, treasurer, and a national coordinator. Representatives from each church's Sunday School Program will also be present to meet with LaNelle as she organizes and distributes materials for the children's ministry. I will have the responsibility of planning the "Jungle Riders" evangelistic outreach program. We are expecting representation from all 40 churches to be present. Exciting times are just ahead as we hope to encourage the hearts of the pastors, Sunday School leaders, and plan future outreach to the many villages still untouched by the GOSPEL.

## Yes.. Satan Is Still At Large! However...

I John 4:4 "Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world."

When we share the Gospel, there is always a Supernatural Aspect at work in the delivery.

The Bible declares Satan to be... "Like a roaring lion seeking whom he may devour"! Decades have passed, yet scores of African Villages are still under the influence of the "Masque", sorcery, and witchcraft. But, praise the Lord, many have been freed from Satan's terror. We now have 40 churches planted primarily in the

"bush" villages situated in the western region of Ivory Coast. Even pastors once engulfed in animism have been redeemed and are preaching the Truth of the Word. It is exciting to see how the Gospel not only changes people but it changes entire communities. Thank you for helping us help others find the "Way, the Truth, and the Life" God desires. It's always a struggle...it's always a fight...but by the Cross and His grace, we are seeing victory after victory.

## GOAL... Visit 40 Churches

We will attempt to visit all 40 churches during this trip to Ivory Coast.

*We would like to express our appreciation to ALL who have given to help with our airline tickets and those who have given special offerings to keep the ministry and orphanage afloat during the Covid pandemic.*
