Celebrating THIRTY YEARS of MINISTRY

February 2026

Pastors and supporting churches are cordially invited to attend the GAP Missions National Convention of churches of Ivory Coast, February 13-15, 2026.

You have a year to prepare for this grand event where more than 41 of our established churches plus guests will meet in the western region where it all began thirty years ago.

JUNGLE RIDERS will be there as well as our **Bible Institute Representatives** and the orphans and children from **GAP's Girls Home**.

Many of you have supported the work from its beginnings and others have long term investments in the many souls that have been reached through the years. Hundreds, and even thousands of people have heard the truth of the GOSPEL and have been redeemed from deep rooted animistic beliefs to faith in Christ because you gave, prayed, and cared about lost souls.

The Ivorian Christians are now dancing for joy and singing praises to the **ONE** they adore. The African Drum has changed its tune. Rather than beating to the chants of witchdoctors and sorcerers, it echos tunes of rejoicing in our churches because the people have been delivered from the life Satan had to offer. So many villagers have trusted Christ and this is a time of celebration... **for them AND for us**. Satan's forces have certainly thrown much opposition but God has shown HIS mercy, grace, and power to overcome.

Wouldn't you like to "meet" the fruit of your endeavors? You will need to **RSVP** in order for us to make motel and food arrangements. You will be well cared for. A bus to travel out west and to take you to the meetings will be provided. A clean motel will be arranged and you will have food prepared especially for you. I will instruct you on all Passport, Visa, and ticketing necessary.

I believe it will be one of the most memorable trips you have ever experienced. Questions? Email: thunder9image@gmail.com
