## National Convention Ivory Coast - Feb 11-18, 2026 Celebrating THIRTY YEARS of MINISTRY

From the onset of our endeavors to reach the lost in Ivory Coast the Lord's hand of blessing has been on this ministry. The Lord wants His "GOSPEL" to be heard and HE carved out a very dark place in this world for us to share it. We started in the little village of Guiri deep in the jungles of the western region, and the gospel has spread to more than 7 language groups. Forty-four+ mission churches will gather to celebrate and honor the Lord for His goodness to us. It's going to be a grand time of singing, preaching, dancing, food and fellowship. And many Americans are preparing to attend!!! PTL

The region of the west has gone from deeply engrained animistic (satanic) worship to knowing the true and Living God. They had little knowledge of God and His Word but their insatiable appetite for knowing this "God above all god's" has led them down a path of faith and blessings like they have never known. To know Jesus changes everything. Knowing Jesus has transformed them from a life of hating, killing, witchcraft, sorcery, and false belief to a life of hope, truth, and love.

All I can say is praise the Lord for His great plan of redemption. These believers have not only experienced a dynamic change in this present life, but they now have a glorious hope and sure future.

**JUNGLE RIDERS** - Needs your support to keep rolling!  
This three man team has... (in 2024)

- Shared the GOSPEL in 45 New Villages
- Shown the Jesus Film to more than 10,500 people
- 250 souls responded to an invitation to accept Jesus as Savior
- Started 6 – New Prayer Groups/Bible Studies - which may develop into churches.

And... they are still rolling into new villages in 2025, reaching about 7 villages with the Gospel every month.

Our 2025 Emphasis is... Assisting established churches in their outreach to neighboring villages. [www.gapmissionsafrica.org](http://www.gapmissionsafrica.org)

**GAP BOARD of Directors** – Once a year the men that serve on the board of GAP Missions meet together to hear year-end missionary reports, pray, encourage one another in ministry and make plans for GAP's upcoming year. I am privileged to have men of integrity and wisdom on the board. Some have served for 15 years. They are called directors but the official name is "servant-leader". They were chosen and they serve because of their love for getting the gospel story to the lost world. And that is what GAP Missions Ministries is committed to...

**"The Gospel to ALL People."**

We cannot reach ALL the lost world...

...but we can have an impact on many places.

We had a good representation of board members this year, plus we had some invited guests to experience the works of our mission.

**Ladies Convention 2025** – Several years ago LaNelle organized the first LADIES CONVENTION among our churches in Ivory Coast. Now the ladies organize their own! What a blessing to see the ladies taking charge of our church events such as this. There is unity and a sweet sweet spirit when the Lord comes into a life. They love worshipping together. Some only see each other once a year because they live so far apart.
