

Ivory Coast..

## ELECTIONS in OCTOBER

**Elections Come With Temporary Unrest. Please Pray for a Peaceful Outcome.**

LaNelle and I will be leaving for Ivory Coast sometime after October's presidential elections to make final preparations for the National Convention coming up this February. There is excitement in the air. Our mission pastors are meeting monthly making plans for this monumental event. God has abundantly blessed His Word. HIS mighty hand has been on this ministry and the Spirit has moved in the hearts of the people as the precious GOSPEL of CHRIST has been shared with them for nearly 30 years. The Lord has made a dramatic change in the lives of those who came to know the Lord. Children who heard of Jesus in the early years of our ministry may have even forgotten what it was like to live in a land that was overshadowed by cults and witchcraft. Sunday School, preaching, and singing in these villages touched by the Gospel is now the norm.

As we look back in retrospect and imagine what their former life was like compared to the life they can now live with Christ in central focus, brings to our hearts "joy unspeakable." "The half has not yet been told" as we think of what the future holds, as these believers share their faith with others and watch as the mission continues to expand. Jesus is truly, *"The Way, the Truth, and the LIFE"...* and *these Christians can testify to that fact.*

**Real LIFE.. temporary and eternal... begins and ends with Jesus.**

### Another SCHOOL YEAR has Arrived

We will have 28 girls in school this year which includes our 3 university students who plan to take one more year of courses.

We take total charge of these children. Imagine having 28 children living in your home and you will have an idea of what we face on a daily basis.

With inflation, transport, school lunches, uniforms, books, athletics, and personal needs, the cost seems unreachable. But the Lord has always fulfilled HIS promise to care for orphans and HE has never let us down.

Grace Fellowship in Ohio has always been a "first responder" when it comes to helping with school as they present the need in their missions conference each year. However, the need is greater this year than ever before and we are prayerfully asking others to join them. If the Lord lays it on your heart to sponsor a child or give toward their education you can donate through the link below.

\*\*\*

**AVERAGE COST PER CHILD for the year will be \$610  
for Grade School through High School  
(\$610x25=\$15,250)**

**COST per University Student: \$2,567 each.  
(\$2,561x3=\$7,683)**
