Historical Celebration!!!

In February a gathering of **1,121** Christians representing seven language groups and forty churches convened to celebrate 30 years of ministry in Ivory Coast. The impact **the Gospel** has had on entire villages and the individual lives of these dear people is absolutely overwhelming to witness.

OUR ALMIGHTY GOD - DOING WONDERS

For 30 years, we have carried the “LIGHT” of the Gospel into a very dark corner of the world and the Holy Spirit has performed wonders. Now, our Christian brothers and sisters are excited to tell others about the Savior they’ve come to know and love. I can only imagine what will happen over the next 30 years as they continue to carry the “LIGHT” and share their faith with others. **THANK YOU...**to all who have supported and prayed for our endeavors. We will continue to serve in Ivory Coast as long as the Lord gives strength and grace.

FAMILY MATTERS -

It was a great joy to have our four children, two grandchildren, plus Bro. Bobby with us. We traveled over difficult roads far into the “bush” to visit Pastor Youté and his family. The team experienced the culture and gracious African hospitality LaNelle and I have enjoyed through the years. The pastor gave us three chickens and fresh garden vegetables after our visit. What a humbling experience.

The crowd got excited when Bobby did his nail demonstration expressing, “With God, all things are possible.” Due to his world of experience, he also offered electrical & plumbing changes for the orphanage facility.

Different Languages - Different Cultures... but somehow all the barriers are broken down by love and smiles.

“And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the **first** commandment.”

“And the **second** is like, namely this, Thou shalt love thy neighbour as thyself. There is none other commandment greater than these.”

Bobby, Dave, Levi, LaNelle, Karla, Zack, Kristy... ..were a wonderful blessing and encouragement to us as well as all the Ivorians.
